

## Re: Letter for Recommendation for St. Paul Street Evangelization (SPSE)

By means of this letter I wish to give my personal endorsement and recommendation to the St. Paul Street Evangelization. The street evangelizers have touched literally thousands of “untouched” hearts for Christ on many different streets and at many different secular and parish events throughout the Archdiocese of Detroit. Archbishop Allen Vigneron himself gave them a great endorsement of confidence when he joined them on the street to spread the Gospel.

The Office of Evangelization has sponsored several successful training events with the SPSE. And without hesitation, I give thanks and praise to God for their presence with us and for what the Lord will continue doing through this grassroots, Catholic evangelization ministry.

Sincerely yours in Christ,

A handwritten signature in black ink, appearing to read 'Eduardo Montemayor'.
