THE SAINT PAUL SCHOOL OF EVANGELIZATION

The Mission Is Urgent. The Moment Is Now.

Responding to the Great Commission of Jesus to go out into the whole world and make disciples, the St. Paul Evangelization Institute is excited to announce our new School of Evangelization!

Our school is designed to help ordinary Catholics learn their extraordinary identity and live as evangelists of Jesus Christ! We offer a unique academic program paired with a multifaceted ministry approach that engages and encourages each student to learn, grow and go! The school can be taken as a one or two year program. The one year program offers a basic certificate in evangelization. The two year program offers an advanced certificate in evangelization (leadership formation year).

At the school we will:

- Equip and empower ordinary Catholics to live out their extraordinary call as missionary disciples.
- Use the best methods, insights, and strategies of effective evangelization.
- Teach students how to authentically proclaim the full Gospel of salvation in Jesus Christ.
- Help students experience supernatural charisms which sparks revival in every area of their life.
- Foster student growth through a specialized ministry team that accompanies each participant every step of the way.
