

## Sample Outreach Email

Hi,

I am interested in doing External Freedom of Expression on campus. I am not sure you are the proper contact and would appreciate your direction.

Requested Date: [Insert Date]

Time: Approximately [Insert Time]

We would set up a small table. There would be no public speaking or amplified sound. A small team (2–3 people) would engage students in one-on-one, non-confrontational conversations.

We share the Catholic faith, give out rosaries, teach students how to pray, and make literature available.

Thank you for your help,
