

Semester Request Email

Hi [Name],

I would like to request External Freedom of Expression dates for the upcoming semester.

Dates Requested: [List Dates]

Time: Approximately [Insert Time]

Location: [Preferred Area, if applicable]

We set up a small table and have one-on-one conversations with students. We take a peaceful, non-confrontational approach and have consistently been well received.

We share the Catholic faith, distribute rosaries, teach students how to pray, and provide literature.

Thank you,

[Your Name]
